ORDER

ANDREW J. PECK, United States Magistrate Judge:

The Court is in receipt of plaintiff's counsel's December 4, 2007 letter.

Counsel are to bring the disputed, allegedly inadvertently produced (by defendants) privileged documents, as well as any other privileged documents in issue, to the December 7, 2007 conference.

Counsel are to complete their meet and confer on plaintiff's complaints about defendants' production/non-production, before the December 7, 2007 conference, on pain of sanctions. If defendants have not identified their claimed deficiencies with plaintiff's production beforehand, and had a meet and confer (after the issues raised by plaintiff), the Court likely will not

resolve them at the December 7, 2007 conference, which may delay defendants' abilities to complete discovery on time – and the Court is not likely to extend discovery.

SO ORDERED.
